### **New Website Announced for East Greenbush Police**

After nearly twenty years with its own stand alone website, the East Greenbush Police Department is pleased to join other Town departments on a new Town Website at [www.eastgreenbush.org](http://www.eastgreenbush.org).

Introduced this summer, the new website allows for timely announcements and updates to be posted at the department-level.

Departments provide content for their respective webpage or section which can be easily viewed by anyone doing a lookup and point-and-click navigation.

Although the new webpage is undergoing construction, I urge all residents to visit and browse around the new site. I am sure you will find some features to be interesting and informative and spots you'll want to revisit often.
